

Be Happy

Here it is from the 1939 Primary Song Book:

"Be happy" sings the little bird, on boughs beneath the blue;
Be happy, happy all day long, and others will be to!

Chorus:

Be happy, all day long, each day you'll find it true;
That he whose heart has joy and song give joy to others too.

"Be happy," trills the little brook while running meadows thro';
Be happy, happy all day long and others will be too!

Chorus

"Be happy," shouts the wind of morn, as o'er the land it flies;
Be happy, South Winds whisper low, and ev'ry wave replies,

Chorus
