

# Lift Up Your Voice and Sing

Richard C. Berg

A song is a wonderful kind of thing,  
So lift up your voice and sing!  
Just start a glad song, let it float, let it ring,  
And lift up your voice and sing!  
We shall make music to brighten the day;  
Music will help us to lighten the way.  
Lift up your voice! Lift up your voice!  
Lift up your voice and sing!

---

To this I added my further witness in an address I have given in several settings titled  
"Power in the Hymns":

A hymn is a prayer that we sing from the heart,  
So lift up your voice and sing!  
A most joyful noise you must raise; you must start  
to lift up your voice and sing!  
The Spirit will whisper God's truths to your mind,  
Your Faith will be strengthened; fresh knowledge you'll find;  
Lift up your voice, lift up your voice,  
Lift up your voice and sing!

Through song He'll reign blessings on each weary soul,  
So lift up your voice and sing!  
Your burdens He'll lighten, your hearts He'll make whole;  
Just lift up your voice and sing!  
He'll give you the courage to do what is right,  
He'll teach you to serve well with all of your might!  
Lift up your voice, lift up your voice,  
Lift up your voice and sing!
