

See How the Morning Sun Pursues His Shining Way

Elizabeth Scott / adapted by William W. Phelps (LDS)

quoted here from the 1835 Kirtland Hymnal

1. See how the morning sun
Pursues his shining way;
And wide proclaims his maker's praise,
With ev'ry bright'ning ray.

2. Then would my rising soul
Of heaven's parent sing;
And spread the truth from pole to pole,
Of Jesus my great King.

3. In faith I laid me down,
Beneath his guardian care;

I slept and I awoke and found,
That he was just as near.

4. O Lord I want to live
So humble unto thee,
That in thy presence I may spend
A blest eternity.

5. Give me thy Spirit, then,
To guide me through this day,
That I may be upright and just,
And always watch and pray.
