

There's a Power in the Sun

adapted, edited, or written by William W. Phelps; not enough documentation to tell us which he did

Common Metering

quoted here from the 1835 Kirtland Hymnal

1. There's a power in the sun,
And a majesty on high,
Ever showing unto man—
O behold the Lord is nigh!
2. There's a brilliance in the moon,
And a beauty in the sky,
Always telling to the world—
O behold the Lord is nigh!
3. There's a glory in the stars,
And the planets rolling by,
Shining nightly to the earth—
O behold the Lord is nigh!
4. There's a grandeur in the clouds,
And the lightning streaking by,
Thund'ring loudly in our ears—
O behold the Lord is nigh!
5. There's an image in the winds,
Singing sweetly as they fly,
To the end all flesh may know—
O behold the Lord is nigh!
6. There's a spirit, too, in man,
For to turn his hopes on high,
Whisp'ring softly to the heart—
O behold the Lord is nigh!
